 3 trucks
 2 van-like trucks
 1 tank truck

Vehicular traffic observed in the area of Vooslau Castle included:
 tank truck

trucks 25X1
 Sedan was parked in front of No 14 Bahn Strasse and subsequently moved toward the airfield.

Comment. After the transfer of the air reconnaissance regiment of the Fifty-Ninth Air Army from Bad Vooslau airfield, no information has been received that another reconnaissance regiment arrived there. Therefore, it is believed that the MiG-15s and Il-28s observed in Bad Vooslau belong to the mixed reconnaissance regiment of the Fifty-Ninth Air Army. ILLEGIB 25X1
